THE **ETVAAL** PROMISE

OUR PROMISE

From the outset, we make a commitment to our clients to provide products of the highest quality, deliver the best possible service and support, and value every relationship. With product names as elegant as our tasteful designs, we offer a comprehensive range of products under the Etvaal banner. We keep abreast of new trends and designs to ensure a stylish product that will enhance the lives of all users in every way. Our furniture will serve you well for many years.

Focusing on what we do best – the manufacturing of high-quality furniture.

OUR HISTORY

Etvaal was established as a small private company just over 50 years ago by two brothers, Bertus and Louis van der Linden. They started manufacturing solid pine furniture on a very small scale on a smallholding near Bronkhorstspruit in Mpumalanga. The company showed a steady growth and, after premises were obtained in the industrial area in town, started growing in leaps and bounds. Today Etvaal is a private company owned and managed by the Louwrens family. As a leading manufacturer of high-quality furniture, the company manufactures more than 350 different furniture items, most of them delivered by our own fleet, and provides employment to over 306 people.

Our proud record as a manufacturer of high-quality furniture in this competitive manufacturing sector means we can offer an unconditional guarantee and the best possible service and support to all our valued customers.
